

Dementia United Presents: Greater Manchester Delirium Webinar

Friday 14 October 2022 from 2.30 to 4.30pm

Showcasing innovation and best practice

Who is the webinar for?

If you work in primary care, mental health, hospital, adult social care and, or within a local care organisation or are care provider - **this webinar is for you!**

Session includes

- The successful roll out of the Community Delirium Toolkit offering a person centred approach to assessment and treatment (a case study)
- Delivery of bite size training in hospitals - evaluation of delirium screening tool for non-English speakers
- The value of lived experience engagement - creating a delirium Zine (a case study)
- Pre-operative assessment: identifying people at risk of delirium to develop person-centred prevention plans

The webinar is via MS teams [Click here to join the meeting](#)
