

Dementia United Presents: Greater Manchester Best Practice Delirium Webinar 2024 on World Delirium Awareness Day

Wednesday 13th March 2024 10am to 12 noon
Showcasing innovation and best practice

Who is the webinar for? If you work in primary care, mental health, a hospital, adult social care, or within a local care organisation, or are a care provider - **this webinar is for you!**

How to join? [Visit our booking page](#) and click 'reserve' - (any email can be used to register and is **not** NHS specific).

Topics: The session will cover topics on

- What delirium is and how to manage it
- Top tips for family members and carers
- The Greater Manchester delirium hospital & community toolkits, and how to use them
- Good practice examples from Greater Manchester localities
